Cat equipment is designed to perform day in and day out — and because you rely on it to do just that, maintaining peak performance is critical. Did you know that simply using Cat filters can make a big difference? Studies show they increase injector life and decrease cost per hour. Choose Cat parts for cost savings, longer life and fewer refills.

## Work Now, Pay Later

For a limited time, get 0% financing for 12 months on genuine Cat parts (with or without service). Minimum purchase of \$1,000. Expires December 31, 2020. Contact your Peterson Sales Representative today for more details.
