SHIPPING / PICKUP INFORMATION

PICK UP IN STORE

SHIP TO ME

Always Use

Please never use **Store Pick Up** option during check out. This could create confusion and delay the parts orders. Always use the **Ship to Me** option with one of the two following formats for Will Call or Drop Box. The Ship to Me options just gives the capability to enter the information how we would like to see it on our documents to prevent confusion. This option will not apply freight charges unless you have requested special freight options.

STEP 1:

Go to 'My Account' and select 'Address Book' from the left hand menu.

STEP 2:

Select 'New Address' and indicate that it is a 'Shipping Address.'

STEP 3:

Fill out the entire form for either Will Call or Drop Box with the following formats. Make sure you use the Zip codes.
